

ActionSportGames® reveals the CZ SP-01 Shadow pistol series at SHOT Show 2016

Espergaerde, Denmark – January 19, 2016 – ActionSportGames® announced today the CZ SP-01 Shadow pistol in Airsoft and Airgun models at SHOT Show 2016.

Hot on the heels of the resounding success that is the CZ P-09 Airsoft pistol series, ActionSportGames® revisits their Česká zbrojovka product portfolio with another iconic pistol. The real SP-01 Shadow is legendary for its reliability and accuracy, and is the pistol of choice for top competition shooters around the globe. The Airsoft and Airgun SP-01 Shadow models faithfully replicate their real world counterpart, featuring a metal slide and frame, fiber optic front sight, and railed frame for accessories. Rubberized grips ensure comfort when shooting for extended periods, and the blowback system heightens the realism factor. Every CZ SP-01 Shadow will include the world-renowned product warranty from ActionSportGames®.

Features:

- Metal slide and frame for realistic weight
- Fiber optic front sight and blackout rear sight
- Railed frame for accessories
- Rubberized grip panels
- Licensed CZ trademarks
- Airgun version powered by CO₂
- Airsoft version powered by green gas or CO₂
- Adjustable hopup system (Airsoft version only)

ActionSportGames® is the worldwide leader in the business of replica firearms and accessories development/manufacturing – including Airsoft guns, Airguns, CO₂ guns, and firearms replicas. ActionSportGames® released the groundbreaking CZ Scorpion EVO 3 A1, CZ P-09, and the Dan Wesson 715 revolver in prior years. ActionSportGames® is defining the future of Airsoft and Airguns worldwide through innovation and service.
